MEMORANDUM FOR: Deputy Director of Central Intelligence
FROM: Director of Central Intelligence
SUBJECT: Camp David Summit

1. The President is going to Camp David on Monday afternoon. He indicated at the NSC meeting that he'll meet separately with each of the two leaders and then start meeting with them as a group. He indicated that he wants, through Brzezinski by Monday night, any additional materials any of us had for him for the Summit. He wasn't encouraging these, however, just making a comment.

2. He indicated that he might call an NSC-type meeting during the Summit, but he also indicated he wanted to minimize the number of people running back and forth to Camp David. He preferred to use secure phones and secure facsimile or couriers.

3. Summit participants will take a week from Saturday and Sunday off. He may have conferences at that time to regroup and plan. In short, I suggest you keep posted and be available, though I think the odds of our being called to participate in these policy debates are probably reasonably slim.

MEMORANDUM FOR: Director, Geographic and Cartographic Research
FROM: Director of Central Intelligence

1. Just wanted to let you know that at the NSC meeting in preparation for the Summit the President, the Vice President and the Secretary of State in particular mentioned how good this cartographic supplement was. I handed out copies of it at the meeting and a good bit of the discussion took place with all members flipping your pamphlet from map to map as the discussion proceeded.

2. Thanks.
